Anchor Hocking Company

Celebrating 110 years

Since 1905: Sometimes it takes years for the significance of an event to be fully understood. Like the founding of the Hocking Glass Company in Lancaster, Ohio in 1905. At the time, no one knew that they were taking part in the birth of a brand, one that would last far beyond their lifetimes. Few companies from that era remain today and fewer still have showcased American craftsmanship in the way that Anchor Hocking has. It's the craftsmanship, the pride in our work, and 110 years of being part of the fabric of America that makes Anchor Hocking products truly unique. Stronger than ever, we will continue to anchor a foundation of craftsmanship and quality for generations to come.

Anchor Hocking Company

Celebrating 110 years

Since 1905: Sometimes it takes years for the significance of an event to be fully understood. Like the founding of the Hocking Glass Company in Lancaster, Ohio in 1905. At the time, no one knew that they were taking part in the birth of a brand, one that would last far beyond their lifetimes. Few companies from that era remain today and fewer still have showcased American craftsmanship in the way that Anchor Hocking has. It's the craftsmanship, the pride in our work, and 110 years of being part of the fabric of America that makes Anchor Hocking products truly unique. Stronger than ever, we will continue to anchor a foundation of craftsmanship and quality for generations to come.
